

WHAT IS VLUV?

VLUV is a healthy, stylish seating and exercise ball. It's an eye-catching item of designer furniture that keeps you sitting in a comfortable upright position – and you can also use it for gymnastics.

And it's even fun to just play with!

WHAT ARE THE KEY FEATURES?

fixFORM: The felt cover limits the expansion of the inner ball and in return reinforces the seating feeling. The seating position is more upright.

gripME: An integrated handle on the upper half of the ball makes transportation with one hand easy.

unROLL: The bottom seam prevents the ball from rolling away to easily.

WHAT IS VLUV FELT MADE OF?

The outer cover is made from 100% polyester.

The inner ball is made of burst-resistant and phthalates-free PVC.

The zippers we use are YKK quality products.
